## Staff News

In February, as part of the Dental Therapist Foundation Training scheme Tracy Tang attended the International Dental Conference held in Chicago. The visit also involved a tour of the American Dental Association with her peers where they were able to learn how the American dental professionals' practice dentistry in comparison to the UK.

Dr Marina Spanaki commenced maternity leave in September, and we are pleased to announce she has had a beautiful baby girl called Eleni.

Dr Ajaz will be working on a Thursday evening 5pm til 7pm for private patients only. If you wish to take advantage of these times, please call the practice to book an appointment.

Dr Holley has passed his MJDF Parts 1 & 2. "We all have to carry out continuous professional development and so last year I decided to combine it with an exam at the Royal College of Surgeons. I was very proud to pass both parts and now just have to complete a portfolio to get my certificate"

We are happy to announce that we have a new member of staff joining the practice in May. Her name is Stephanie Carter and she will be working on a Tuesday and she is a qualified Hygienist.
